

# 2018 Dock Rental Application

Dock Rental is for residents who do not live directly on a lake. Limited dock space will be available on a first-come, first-serve basis. If you are interested, please remove the form at dotted line and mail in full-season payment.

## Details:

- 1) Rental space will be \$65.00 for this season.
- 2) Do not place your boat on the dock until the Association assigns you a dock location.
- 3) Priority will be given to residents who share a boat with other residents.
- 4) The dock will have a steel ring for chaining the boat to the dock. It is mandatory that boat owners provide their own locking device and boat cover. Boats must be **locked and covered** when not in use. **Owners should not allow water to collect in boats.** This adds additional weight to the floating docks.
- 5) Dock space available:           **\*See back of page for dock locations**
  - A - Tot Lot . . . . . 4 Boats
  - B - Bluemont Parkway . . . . . 4 Boats

- 6) The Association is not responsible for damage or theft of a boat while docked on Association property.
- 7) Boats will not be allowed to stay in the water or be attached to the dock as a means of storage.
- 8) Boats must have BLCSA boat permit displayed.
- 9) Boats should be put in winter storage by October 31.
- 10) Pick up all trash and dispose of properly.

The Association rules require that a BLCSA boat permit be displayed on all boats. If you have a new boat or need a replacement permit, the permit form is posted on the website at [www.bluemontlakes.com](http://www.bluemontlakes.com)
